Look at what you made me do  
Can't get you out of my dreams  
Sky's a brighter shade of blue  
My heart, beatin' differently

It's attraction that I can't explain  
So I guess it must be destiny

all my la- all my la  
all my la - ah a  
All of my life  
I've been waitin' for your love  
ain't no la - ain't no la  
ain't no la - ah a  
Ain't no la lie  
Baby I can't get enough

Your perfume is the  
air I need, air I need  
You're a typhoon  
But I'm breathless  
When you're with me

all my la- all my la  
all my la - ah a  
All of my life  
I've been waitin' for your love

Как да не може така  
до мен е застанала само една.  
Правя така, че да може да каже сама  
бях ти дума, дума, думала!  
Има ли те, не те намирам вече май  
къде ли сме, погубих мен за тебе,  
казах ти "Ела, но няма нужда".  
Помниш ли кога си ми думала?

all my la- all my la  
all my la - ah a  
All of my life  
I've been waitin' for your love  
ain't no la - ain't no la  
ain't no la - ah a  
Ain't no la lie  
Baby I can't get enough

Your perfume is the  
air I need, air I need  
You're a typhoon  
But I'm breathless  
When you're with me

all my la- all my la  
all my la - ah a  
All of my life  
I've been waitin' for your love
