[Verse 1:]

Cigarette

That I never got a chance to hit

A chance to hit

But in my mind

Baby I can taste your lips

Taste your lips

[Pre-Chorus:]

I was so foolish

On some stupid shit

Should have never let you out

Knowing that you left

Messes with my head

Shadows of you haunt me now

[Chorus:]

So I'll never get over

Never get over

Not getting under you

Getting under you

No I'll never get over

Never get over

Not getting under you

Getting under you

[Verse 2:]

Poured a glass

But I never got to take a sip

Take a sip

I've been around the world

But baby you're my only fix

My only fix

[Pre-Chorus:]

I was so foolish

On some stupid shit

Should have never let you out

Knowing that you left

Messes with my head

Shadows of you haunt me now

[Chorus:]

So I'll never get over
Never get over
Not getting under you
Getting under you
No I'll never get over
Never get over
Not getting under you
Getting under you

[Bridge:]

Had a heart attack
Full speed, swerve off track
Can't breathe
Where you at? Where you at? Where you at?
Ain't no way to take you back
I've become this heart attack
Everywhere I see your face
And it kills me everyday

[Chorus:]

So I'll never get over
Never get over
Not getting under you
Getting under you
No I'll never get over
Never get over
Not getting under you
Getting under you

So I'll never get over
Never get over
Not getting under you
Getting under you
No I'll never get over
Never get over
Not getting under you
Getting under you
