You're in me  
And I'm in you  
I can feel your  
Cracking bones

Don't let them do  
Whatever they want to you  
Just accept the pain  
Rushing through your veins cuz

[Chorus:]  
You're my voodoo doll  
Don't you know it hurts me when you fall  
Yeah you're my voodoo doll  
Don't you know it hurts me  
Hurts me when you fall

Blades in my mouth  
I'm chewing I'm pushing I'm screaming  
But baby I'm tired  
This soul has retired

I try to run  
You're pulling I'm falling I'm crawling  
There's blood on the floor  
I'm numb to my core

[Chorus: x3]  
You're my voodoo doll  
Don't you know it hurts me when you fall  
Yeah you're my voodoo doll  
Don't you know it hurts me  
Hurts me when you fall
