[Narration:]

It's like you're screaming, and no one can hear  
You almost feel ashamed  
That someone could be that important  
That without them, you feel like nothing  
No one will ever understand how much it hurts  
You feel hopeless; like nothing can save you  
And when it's over, and it's gone  
You almost wish that you could have all that bad stuff back  
So that you could have the good

Yellow diamonds in the light  
Now we're standing side by side  
As your shadow crosses mine  
What it takes to come alive

It's the way I'm feeling I just can't deny  
But I've gotta let it go

We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place

Shine a light through an open door  
Love and life I will divide  
Turn away 'cause I need you more  
Feel the heartbeat in my mind

It's the way I'm feeling I just can't deny  
But I've gotta let it go

We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place

Yellow diamonds in the light  
Now we're standing side by side  
As your shadow crosses mine (mine, mine, mine)

We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place

We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place  
We found love in a hopeless place
