## [Narration:]

It's like you're screaming, and no one can hear You almost feel ashamed That someone could be that important That without them, you feel like nothing No one will ever understand how much it hurts You feel hopeless; like nothing can save you

And when it's over, and it's gone

You almost wish that you could have all that bad stuff back

So that you could have the good

Yellow diamonds in the light Now we're standing side by side As your shadow crosses mine What it takes to come alive

It's the way I'm feeling I just can't deny But I've gotta let it go

We found love in a hopeless place We found love in a hopeless place We found love in a hopeless place We found love in a hopeless place

Shine a light through an open door Love and life I will divide Turn away 'cause I need you more Feel the heartbeat in my mind

It's the way I'm feeling I just can't deny But I've gotta let it go

We found love in a hopeless place We found love in a hopeless place We found love in a hopeless place We found love in a hopeless place

Yellow diamonds in the light Now we're standing side by side As your shadow crosses mine (mine, mine, mine)

We found love in a hopeless place We found love in a hopeless place
