Hey girl, is he everything you wanted in a man?
You know I gave you the world
You had me in the palm of your hand
So why your love went away
I just can't seem to understand
Thought it was me and you babe
Me and you until the end
But I guess I was wrong

Don't want to think about it
Don't want to talk about it
I'm just so sick about it
Can't believe it's ending this way
Just so confused about it
Feeling the blues about it
I just can't do without ya
Tell me is this fair?

Is this the way it's really going down?
Is this how we say goodbye?
Should've known better when you came around
That you were gonna make me cry
It's breaking my heart to watch you run around
'Cause I know that you're living a lie
That's okay baby 'cause in time you will find...

What goes around, goes around Comes all the way back around What goes around, goes around, goes around Comes all the way back around What goes around, goes around, goes around Comes all the way back around What goes around, goes around Comes all the way back around Comes all the way back around

Now girl, I remember everything that you claimed You said that you were moving on now And maybe I should do the same Funny thing about that is I was ready to give you my name Thought it was me and you, babe And now, it's all just a shame And I guess I was wrong Don't want to think about it
Don't want to talk about it
I'm just so sick about it
Can't believe it's ending this way
Just so confused about it
Feeling the blues about it
I just can't do without ya
Can you tell me is this fair?

[Comes Around interlude:]

Let me paint this picture for you, baby

You spend your nights alone
And he never comes home
And every time you call him
All you get's a busy tone
I heard you found out
That he's doing to you
What you did to me
Ain't that the way it goes

When you cheated girl
My heart bleeded girl
So it goes without saying that you left me feeling hurt
Just a classic case
A scenario
Tale as old as time
Girl you got what you deserved

And now you want somebody
To cure the lonely nights
You wish you had somebody
That could come and make it right

But girl I ain't somebody with a lot of sympathy You'll see

(What goes around comes back around)
I thought I told ya, hey
(What goes around comes back around)
I thought I told ya, hey
(What goes around comes back around)
I thought I told ya, hey
(What goes around comes back around)
I thought I told ya, hey

[laughs]
See?
You should've listened to me, baby
Yeah, yeah, yeah
Because
(What goes around comes back around)
[laughs]
