My life don't make sense without you
so please baby live for me
be strong, love and stay alive

girl, I love you so much
I will be there baby where you are
even you don't want this, girl
but to live a life Without U
means to be lonely

REF:
xhane xhane tu raxha (x3)
never thought you'd be out of these arms
xhane xhane tu raxha (x3)
never thought you'd be out of these arms

I gotta find another now
but U, I will not forget
our love gonna stay alive
Girl I love U so much
I will try to be myself
even at this moment i can't
'Cause to live a life without U
means to be lonely

REF:
xhane xhane tu raxha (x3)
never thought you'd be out of these arms
xhane xhane tu raxha (x3)
never thought you'd be out of these arms

(xhane xhane tu raxha x6)

REF:
xhane xhane tu raxha (x3)
never thought you'd be out of these arms
xhane xhane tu raxha (x3)
never thought you'd be out of these arms
out of these arms
