How I`m so foreigner for you, my only love, my presious love,
I know this virsion this beautiful night with lonlieness is feel not in my heart.
Pay for love from kiss, for goodbye, I know is the end but the memory of dates,
came to me and don`t life to cry, if bring this love in I don`t to my life.

Chorus:

A rich of my haste to touch your hands and I open my eyes to see your face,
I open my eyes to see your smile, come back to me, you`re the love of my life.

How I`m so foreigner for you, my darling, my sweet heart,
my heart is wondering for you and cry for your love.
Come and take me faraway, somewhere to be, to be with you,
you`re the more some rose, I love you, love me.

Chorus:(x2)
